

# Cub & Delph Bothies

## Group Size

A maximum of 10 people can sleep indoors. Additional camping adjacent to each Bothy

## Segregation

An integrated curtain can be used to split the room in two and others can camp close by. The fee includes 10 people sleeping indoors or camping so if you had 12 people in your group with just two indoors, you would only pay for the Bothy plus two campers.

## Equipment

The Bothy is equipped with:

- Selection of pans & frying pan
  - Washing-up bowl
  - Selection of utensils
  - Cutlery for 12
  - 2-ring gas burners
- (Additional Gas for sale in shop)

## Bring your own

You will need your own:

- Bedding or sleeping bags
- Dish Cloths, tea towels etc
- Plates, Bowls & mugs
- Cooking Knives

We have two 10-bed Bothies available, one on the Cub Field and the other adjacent to the Delph. Both are a few paces away from toilet blocks and have a separate kitchen building containing a fridge, water boiler, 2-ring gas stove and storage space and work surfaces. There is also a covered area with picnic bench for dining.

Both Bothies are ideal for a small camp base, for D-of-E teachers or assessors or for adults who may no longer be able to camp.

They are also ideal as a base for a larger camp where brew facilities or access to a fridge to store medication may be required.

Mugs and cutlery are provided but bring your own crockery etc. If you forget, we can usually loan anything you need.

We provide a 2-ring gas cooker that operates on gas cartridges. Each cooker will have some gas and a spare is also provided. Additional cartridges can be purchased from the Tuck Shop or added to your bill.
