# Required Qualifications for Activities

The following outlines the required qualifications for activities at Tawd Vale Adventure Centre. The most frequently used qualifications are listed, but if your own instructors have similar qualifications that are not listed here, please contact the centre well in advance of the booking to confirm their suitability.

Own instructors must provide originals of their qualification before an activity commences which will be photocopied for our records. They will be required to sign to state that they have read the Standard Operating Procedures and Risk Assessment for the given activity and that they will follow these rules before the activity commences.
